

## **ENGINEERING SUPERVISOR**

**RECRUITMENT DATES** May 21, 2007 - Until selection is made. *First review of application material will occur on June 1, 2007.*

**SALARY** \$64,667 - \$101,858 annualized. *Appointment can be made above the minimum depending upon qualifications.*

**EXPERIENCE** Five years of experience in planning, organizing and directing difficult and complex civil engineering projects, including a minimum of one year of supervisory experience, and a bachelor's degree in civil engineering or a related field. Preferred experience includes construction management, or experience in a materials laboratory, street maintenance, or floodplain and storm drains. ***Must be registered as a Professional Engineer in the State of Arizona by the end of the 12-month probationary period.*** Other combinations of experience and education that meet the minimum qualifications may be substituted.

**DUTIES** These are management positions in the Street Transportation Department which typically supervise multiple sections within a major division. These divisions include Planning, Design, and Programming; Design and Construction Management; and Street Maintenance. In the Planning, Design, and Programming division one position supervises floodplain and storm drain sections. In the Design and Construction Management division, two positions supervise separate construction management teams. Another position manages the division's Materials Laboratory. In the Street Maintenance division a position manages outsourced street maintenance contracts and underground utilities inspection. All positions report directly to a Deputy Street Transportation Director. They exercise considerable skill in communicating engineering problems and proposed solutions to public officials, City departments, agencies, neighborhood associations, consultants and contractors. These positions are responsible for operational budgets and personnel management. Vacancies are anticipated over the life of this eligible-to-hire list.

**ALSO REQUIRED** Some positions in this classification require the use of personal or City vehicles on City business. Individuals must be physically capable of operating the vehicles safely, possess an appropriate valid Arizona driver's license, possess personal insurance coverage, and have an acceptable driving record. Working irregular hours, shifts, weekends, holidays, and evenings may be required.

**RESIDENCE** Maricopa County residency is required within 24 months after the date of hire and must be maintained.

**EVALUATION** Based on resume and cover letter. In your cover letter or resume, please describe your experience as it relates to the requirements stated above. Resume and cover letter guidelines are available at <http://phoenix.gov/EMPLOY/resumeg.htm> at the Application Office. Only applicants who meet the requirements as stated in the "Experience" section will be placed on the eligible-to-hire list.

**APPLY** Apply on-line at [www.phoenix.gov](http://www.phoenix.gov) or submit your resume, cover letter, and data collection form to the City of Phoenix Application Office. *The recruitment may close without notice when a sufficient number of applications have been received or the position has been filled.*
