

\$ 1000

Scholarship Contest

Arizona ITE is proud to offer educational scholarship opportunities to full-time students pursuing a degree in Civil Engineering with emphasis on Transportation Engineering.

Categories

Undergraduate Paper Scholarship
Graduate Paper Scholarship

Award

Recognition at ITE/IMSAs Spring Conference (March 7-8, 2007).
\$ 1000 cash award for each category.

Deadline

Career Guidance Chair must receive the papers by January 15, 2007.

Guidelines

Addressed a Traffic Engineering / Transportation Planning related subjects only. Failure to comply with this requirement will automatically disqualify the paper.

Maximum length: 15-double spaced, typed pages. The page limit includes title page, table of contents and any appendices.

Report text style should be 'Times New Roman', and font '12'.

Reports that were written for previous assignments may be submitted but must comply with the aforementioned requirements.

Manuscripts must be submitted in English.

No co-authors.

Please include a cover letter identifying full name, address, phone number, university, and your education level (graduate / undergraduate). This isn't included in the 15-page limit.

Special Requirements

Graduate student winner must present his/her paper at the ITE/IMSA spring conference.

Paper presentation is optional for undergraduate winner. However, they are strongly encouraged to do so.

Submission

Five (5) hard copies of your report must be received by January 15, 2007 at the following address:

City of Glendale
Attn: Goutham Lingannagari
AZ ITE Career Guidance Chair
5850 W. Glendale Avenue
